5. (Secret - CEA) Talked to Al Tarabochia, Chief

[] papers which the Subcommittee has subpoenaed
and which are of primary interest to the Agency. Tarabochia said
it would not be possible to bring the papers to the Agency to examine
but that he could furnish a locked room in the New Senate Office
Building where we could examine them. I told him I would check
with our people and be back in touch.

6. (Confidential - GLC) Jay Sourwine, on the staff of
Senate Internal Security Subcommittee, called with further reference
to the [] case. He indicated that the Subcommittee plans to call
[] as a witness and wondered whether the Agency would be interested
in reviewing the transcript of his testimony to delete anything that might
be of a sensitive nature. In addition Sourwine offered to include in his
questioning of [] any matters which might be of interest to the Agency
to clarify. I told Sourwine I would look into this and be back in touch with
him. He said to consider this the most informal type of inquiry and if
we preferred not to do anything on it this was agreeable with him.
